Evergreen Lodge is one of the most charming places to visit around Clarksville, and its proprietor, Capt. Crusman, is noted for his refined taste, elever and genial nature, and the enterprise displayed in the importation of bulbs and flower roots direct from Holland and France, is evidence of a desire to keep abreast of the times. Now that the season for sweet-scented Tuberose, the brilliant Heliothrope, the golden Crysanthemum and Nature's emblem of purity, the lily, is passing away, it behoves you to prepare the rich bed to receive the Hyadinths, Ahemone and Tulip to gladden the opening of spring with their fragrace and beauty.
